OJAI VALLEY SCHOOL

Junior Camp 2012

Ojai Valley School's Junior Camp offers a balance of creative, enriching and educational experiences for young children ages 3-7. Campers begin their day at 8:00 a.m. on our elementary campus engaged in fun and developmentally appropriate activities then adjourn to their morning classes. The morning academic classes typically offer four levels of age appropriate instruction designed to provide each child an opportunity to excel at his or her own pace and foster language and literacy development, as well as to enhance math skills.

Junior Campers will enjoy a morning snack and nutritious lunch in the dining hall or under the outdoor pergola. After lunch, campers may take a short rest period before joining afternoon activities that include singing, dancing, arts and crafts, games and sports. Campers will also learn to swim under the supervision of certified instructors. Camp concludes at 3:15 p.m. with supervised childcare provided at no additional charge until 4:00 p.m.

Our flexible schedule allows campers to enroll for the full seven-weeks, or to select and combine various one-week sessions. Field trips are also included.
