

2025-2026

UPPER CAMPUS SUPPLY LIST

Students are encouraged to arrive on campus with a laptop computer or Chromebook for use in the classroom and to access the Learning Management System.

Accident protection plans and protective cases are also recommended. The Technology Staff will need to verify that virus protection is installed on all incoming devices. Students are prohibited from using hotspots or VPNs.

Teachers will provide more specific details about individual supplies for their classes at the start of each semester and in their respective syllabi. However, it is recommended that each student start the year with a few of the following academic supplies:

- Laptop
- Binders
- Dividers
- Binder Paper
- Composition books (9th grade Humanities students)
- Colored pencils or pens
- Calculator (scientific or graphing, depending on math class. See course descriptions)
- Pens
- Pencils
- Highlighters (several colors)
- Daily Planner
- Post-it- notes

Most items are available in the campus student store. In addition to this academic supply list, please be sure to review the [Outdoor Education Supply list](#) and [Resident Supply list](#) for incoming resident students.
