Day Bus Schedule

We expect all riders to adhere to the following Bus Rules to help provide safe, timely and efficient transportation for all students

1. The bus is allowed to stop only at designated stops on day runs.

2. Students will be at the bus stop 5 minutes before the scheduled time and be waiting in line for the bus, at least 12 feet away from where the bus will stop. All electronic devices must be put away when getting on or getting off the bus.

3. Students need to be on the same side of the road as the designated stop, and approach only after the driver has come to a complete stop and the doors have opened.

4. Students and drivers must follow occupancy guidelines established for each vehicle.

5. If students are not at the designated stop at the predetermined time, the bus will continue on.

6. Parents must be out of their vehicle and visible to the Bus Driver in order for the student to depart bus. Students in grades Pre-K to 5 who are not met at the bus stop by the scheduled drop-off time will not be left there. The driver will contact the school office and return children to the school where parents must pick them up.

7. Students must board in an orderly fashion, and remain seated once on the bus.

8. Students must stay seated facing front at all times. No parts of the body, including long hair, shall be outside of the bus at any time.

9. Eating food, drinking beverages, or chewing gum is prohibited.

10. All safety rules for the bus apply to the vans.

11. If bus is equipped with seat belts it is our policy that they be worn at all times.

12. OVS drivers give safety reviews of rules before all field trips and sports trips. We expect the students listen and adhere to the rules at all times.
