California Adventure Winter Immersion Camp

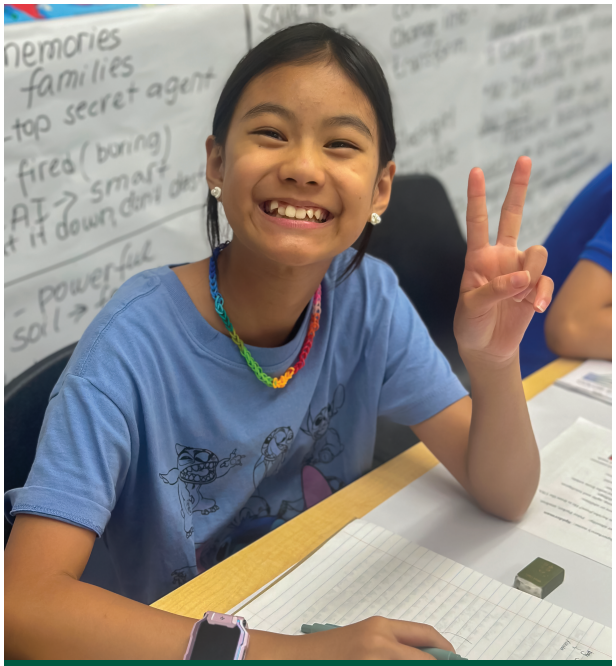

WHERE WILL ENGLISH TAKE YOU?
Join us at Ojai Valley School on a six-week journey of learning, exploration, and belonging.

LEARN

Meaningful learning. Visible growth.

Students practice English by investigating California and sharing what they discover.

Confidence, greater independence, and a clearer academic pathway.

EXPLORE

California is the Classroom.

Each experience connects preparation, field learning, and a student-created product.

- **Welcome: Your voice, your story.**
  Share your story, explore what makes you unique, and begin building friendships at Ojai Valley School.
- **Our backyard Laboratory**
  Observe local plants, habitat, and wildlife.
- **Wild California**
  Investigate animal adaptations and conservation.
- **Island Discoveries**
  Explore ocean life, discover islands, and share stories from the journey.
- **Southern California Adventure**
  Hit the road for museums, coastal experiences, local culture, and fun along the way.
- **Teamwork and Creative Thinking**
  Work through team challenges, share ideas and set goals for what comes next.

Planned experiences include Santa Cruz Island, a San Diego expedition, and OVS outdoor adventures. Locations and timing subject to confirmation.

BELONG

A window into OVS life.

A short-term introduction to an American boarding school.

Students live at OVS and use English through academics, friendships, boarding life, projects, and California field experiences.
